to whom it may concern in your private and unlimited capacity.  
notice to agent is notice to principal and notice to principal is notice to agent.  
silence is acquiescence, agreement, dishonor and estoppel.  
failure to respond is fatal.

are you refusing to comply with my requirement to provide me with the identity of  
the ALL men in video linked below?  
<https://www.youtube.com/watch?v=C7cQbHXIEn8>

these men, while acting as agents of and for your agency, unlawfully arrested me.  
because this was an unlawful arrest it constitutes an assault upon me.  
because these men exhibit guns in plain this it an aggravated assault.  
because these men are acting as officers of and for CITY OF PASADENA as  
PASADENA POLICE DEPARTMENT police officers and acting under the color of  
their officer that is a first degree felony aggravated assault.

because these men violated the good faith of their sworn oath to support the  
constitution they are guilty of felony perjury.  
because these men act in their private capacity they are impersonating peace  
officers which is also a felony.  
these men conspired to deprive me of constitutionally protected unalienable rights  
guaranteed to be protected by the constitution of the United States which they  
swore an oath to support.

if you do not provide me the names of these men then you will be conspiring with  
these men and concealing material facts of evidence from me.

i broke absolutely no laws and these men committed several felonies. this video  
provides undeniable and unambiguous proof of first degree aggravated assault by  
agents of this agency and you have a duty and obligation to act in the good faith of  
your sworn oath and provide truthful answers to relevant questions.

you have a duty and obligation to arrest these men immediately and prosecute them  
to the fullest extent of the law.

UNLESS YOU CAN PROVIDE POSITIVE PROOF OF FACTS OF EVIDENCE THIS  
WAS A LAWFUL ARREST.

these men did not possess a warrant.  
these men did not witness me commit a felony.  
these men did not have probable cause to believe i committed a felony.  
these men did not witness me breach the peace.  
these men did not possess any personal first hand knowledge i harmed anyone.

these men did not possess any personal first hand knowledge that i damaged anyone's property.  
these men did not request, receive, obtain or possess my freely given fully informed consent.  
these men did not possess a binding full disclosure contract with my wet ink autograph.  
i am not a member of CITY OF PASADENA or any other corporation operating in commercial commerce.  
i am not a member of any legal society.  
i am not a member of any legal community.  
i am not a member of the military of any country.

CITY OF PASADENA is an invisible, intangible, incorporeal dead legal fiction of law operating in commercial commerce.  
CITY OF PASADENA can not act.  
CITY OF PASADENA can not own property.  
CITY OF PASADENA does not possess a soul to save, body to incarcerate, mind to meet, mouth to speak, or hands to sign and CITY OF PASADENA can not repent or obligate a man.  
CITY OF PASADENA is a fiction of law and a mere creature of the mind.  
acts arise from men.  
all men are equal.  
no man possess authority over me,  
no man can delegate authority he does not possess.  
no man can delegate authority over me.  
authority over me can not be delegated.  
no man is superior to me and no man is my superior and fictions of law do not factually exist.

Government exists today in name only.

ii. The **receivers** of the United States Bankruptcy are the International Bankers, via the United Nations, the World Bank and the **International Monetary Fund**. All United States Offices, Officials, and Departments are now operating within a **de facto status** in name only under Emergency War Powers.
